Topics for Term 6 include learning about plants in science and continuing to study geography through developing our understanding of compass points and map skills using atlases and maps.

## Highlights to look forward to in Term 6!

Sports' Day

Outdoor Cooking Session

Local fieldwork

## HOMEWORK Don't forget to log in to the following interactive resources to support your child's learning:

- By the end of the year children are expected to be fluent in the following times tables:
   2s, 3s, 4s, 5s, 6s, 8s
- Please support your child at home by:
- Rapidly recalling mental addition and subtraction facts;
  - Adding and subtraction all numbers up to 20 e.g. 20-8, 14+3
  - Adding and subtraction up to 100 e.g.
     100-86
- Please practise spellings

The benefits of reading regularly are well documented and include developing concentration, vocabulary, imagination, empathy and language skills. Please, please encourage your child to read and discuss their books at least 3 times a week. Don't forget to share books at bedtime too!
