

# Willow Class Celebration Newsletter

Wow! What an action packed term we have had in Willow class. I am so proud of each and every child's progress this term and how well they have done in their SATs!

This term we have learnt all about the Great Fire of London. All of Willow Class have thoroughly enjoyed this topic and I can tell we have some budding historians among us. Everyone's favourite part was definitely learning all about Samuel Pepys burying his Wine and Cheese! We loved having a local firefighter in to talk to us all about what her job entails.

We have also learnt all about plants! We have studied what happens to cress when it has 4 different environments. A lot of the children predicted that the plants with water and light would do the best! They didn't realise that the plants in the cupboard would still grow if we watered them so they have enjoyed discussing why this might be.

In Maths we have learnt all about time and fractions. Willow class have definitely loved pausing a lesson to tell me the time now they've mastered it!

Here is some of our amazing work along with some photos from the Kings Coronation, Mini Marathon and Teddy Bears' picnic. We've enjoyed many joyous assemblies and were lucky enough to win Groot too for our great attendance!

Next term we will be learning about Africa, traditional tales and sculptures by Alberto Giacometti. We will also be continuing on with our topic of plants and researching the difference between beans, seeds and bulbs! We will also be further developing our knowledge on past tense!

Well Done Willow class!  
I look forward to seeing you all after half term.  
Please continue reading at home and learning your spellings.  
All children also have their Numbots logins at the back of their contact book to play at home!  
Well done for such a fabulous term, I cannot wait to see you all back on **Monday 5<sup>th</sup> June** for Term 6.

**P.E days are Monday and Friday**
