

Maple Class

Celebration Newsletter

What a busy term!

From the Fossil Workshop, the Archaeology Day, the Fashion Workshop and Stonehenge pastel silhouettes all the way to the wonderful Christmas Church Service and Bronze Age Round Houses, we have had a fantastic time!

This term we have enjoyed learning about the Bronze and Iron Ages, including making our Bronze Age houses.

Following our Estuary trips last term, we have continued our Rocks, Fossils and Soils topic in science.

Enjoying our Prehistoric Fossil workshop!

Investigating Soil!

Excavating fossils, grinding grain and reassembling broken pottery during our archaeology day.

Can you demonstrate your animation skills to someone at home with the free app iMotion?

Looking to Term 3!

In our English lessons we will be reading **Oliver and the Seawigs**.

Topics for Term 3 include learning about **UK Cities** and how they have **changed over time** in **Geography** and learning about **Forces in Science**.

Highlights to look forward to in Term 3!

Making Magnetic Games! Trip to Rochester Ted Harrison Art Day

Interactive Learning

Please login to the following interactive resources to support your child's learning:

NUMBOTS

You can support your child by:

- Finding out about Cities
- Learning times tables (3s, 4s, 8s)
- Practising Number bonds within 20
- Putting spellings into sentences orally
- Practising multiplying and dividing

Please continue to read with your child and discuss their books at least 3 times a week.
