

# Willow Class Celebration Newsletter

Willow class have had an amazing third term. Our most memorable moment was definitely Leeds Castle!

Miss.Barnett loved the playground and so did the rest of Willow class. 😊

Willow class have really enjoyed the book 'Prince Cinders'. They have written persuasive letters and our own version of a Cinderella story. I was so impressed with Willow class's imagination! We had mummys and pharoahs, butterflies in meadows, Yetis in the mountains and Caterella!

In Maths we have started multiplication and division. We have begun to look at arrays and how we can use these. The children are really growing in confidence with repeated addition and multiplication questions.

The children have learnt so much about castles this term! The tour guides at Leeds Castle were really impressed by their knowledge. Willow class were able to talk about the battlements, portculis, point out the coat of arms and the moat. They even taught the tour guide about Concentric castles.

We were lucky enough to watch a pantomime in the hall as a whole school and we enjoyed learning about jam during guided reading!

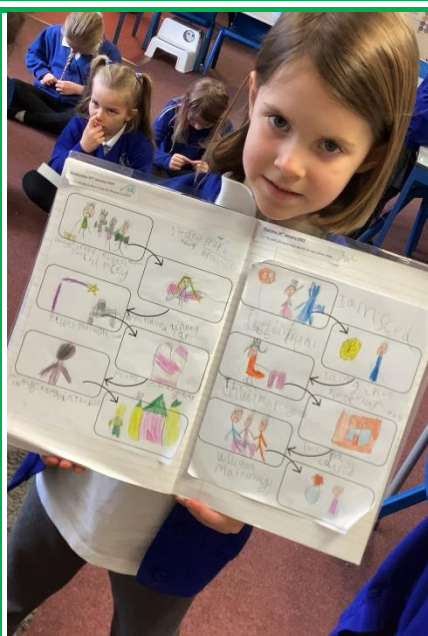

**Here is some of our amazing work! Willow class have been lucky enough to have Mrs Jeffery teaching them art every Tuesday. They loved learning about Van Gogh and their pictures were fantastic!**

**Next term we will be learning about the local area and creating maps. We will also be looking at animal life-cycles.**

**We will continue with our multiplication topic in Maths and cannot wait to start our new book in English.**

**Well Done Willow class!  
I look forward to seeing you all after half term.**

**Please continue reading at home and learning your spellings.**

**I have seen such a great improvement in your spellings so far this year. Well done!**

**P.E days are Monday and Friday  
Our first day back for Term 4 is Monday 20<sup>th</sup> February 2023**
