## MATHS

Our focus for the term has been on Number: Place value and we've just started addition and subtraction.

We have learnt about:

Representing numbers to 1000  
Partitioning numbers to 1000  
Number lines to 1000  
Thousands  
Representing numbers to 10,000  
Partitioning numbers to 10,000  
Flexible partitioning numbers to 10,000  
Finding 1, 10, 100, 1,000 more and less  
Number lines to 10,000  
Estimating on a number line to 10,000  
Compare numbers to 10,000  
Order numbers to 10,000  
Roman numerals  
Rounding to 10  
Rounding to 100  
Rounding to 1,000  
Rounding to the nearest 10, 100, 1,000  
Adding and subtracting 1, 10, 100, 1,000  
Adding up to 2 4-digit numbers (no exchange)  
Adding up to 2 4-digit numbers (1 exchange)  
Adding up to 2 4-digit numbers (more than 1 exchange)  
Subtracting up to 2 4-digit numbers (no exchange)  
Subtracting up to 2 4-digit numbers (1 exchange)  
Subtracting up to 2 4-digit numbers (more than 1 exchange)

## LITERACY

We have been reading 'The Miraculous Journey of Edward Tulane' in Literacy. We are loving witnessing the character progression and have been producing fantastic diary entries, letters, poems, posters and balanced arguments.

## TOPIC

Topic for Term 1 included learning about Europe and its capital cities in Geography. We are familiar with quite a few countries and their capitals as well as where they are on a map and we have created some great fact files on some of the countries.

## Science

We learnt about states of matter and how EVERYTHING is made up of matter. We can look at an object and identify what material it's made up of and determine whether it's a solid, liquid or gas. We have also looked at the water cycle and can name and describe the stages of the water cycle.

# Hawthorn Class

is looking forward to....

## Science

In Science, we will be learning about 'Electricity'.

## Topic

Topic for term 2 includes learning about Ancient Egypt.

## RE

We will be learning about our big question, What is the trinity?'

## Homework

Please ensure your child is reading 3 x per week to an adult.

You can login to the following interactive websites to enhance your child's learning:

Prodigy

TT Rockstars
