ST MARGARET'S BEREAVEMENT COFFEE TIME

Just a reminder our meeting is still available to anyone who has had a sad loss of loved ones. We have great conversation, and laugh, but still remembering those who have passed away. It may feel difficult to walk through the door on your own, but be well assured, you will soon feel "at home". Please contact Jackie 07840 258665 for any queries. We even have a social secretary, who arranges day outings for us.

ELM FARM PICK YOUR OWN DAFFODILS

FOOD FOR THOUGHT

Dear Friends

“And the times, they are a-changing ... ” Many of us grew up with the songs of Bob Dylan. Recently, the Nobel Academy awarded him their Prize for Literature, feeling that his words struck chords in ways that resonated with our lives..

Recent years have seen all those lives changing in major ways. Nothing stands still. Some of these pressures seem new to the human race, whether as nations and peoples or as families and individuals. It can be hard to keep up with it all and find some place of peace and stability. We need strength, a sense of direction, and hope for a resolution to our anxieties.

It can seem strange to think that some wandering Middle East preacher from a long past century could have anything to do with what we face today. But his times also challenged everyone with change, uncertainty and danger. He put himself at the centre of all their stresses and conflicts, from the deeply personal to the national. Something about him attracted people to him and led them to centre their lives around him. He

offered and asked of them unconditional love for one another.

And today he still offers help for our inmost pains and sorrows. If he really was the person that those who were with him believed he was, then he can be a channel for the meaning of our lives today. As a follower of his wrote, we can “cast our cares on him” and find hope.

Sincerely,

Revd Ron Partridge, Lower Halstow

LOWER HALSTOW'S NOVELTY DOG SHOW

An update from Kay Howard-Challis:

The Dog Show was successful, and although the weather was doubtful, the rain held off, so enabling people with their dogs, to come along.

There were a lot of comments, that the rosettes were truly beautiful, and the King Charles Medals were also gratefully received. We tried to make sure that all the children had a medal, so if we saw a child without one, they were asked if they wanted one, and the answer was always, 'yes please'.

We had quite a few new people, who had come along, some as far as Gatwick and Essex, they were so impressed with our Lower Halstow Novelty Dog Show, that they are certainly coming next year.

Thank you to Pat Perret, Julia, Sophy, Pop Up Cafe, Kerry Gardener and Keith Howard-Challis, without yourselves the show could not have taken place, thank you again. Also a huge thank you to Mark and Gemma Stevens for providing the bales of straw, they were needed for the Dog Races, which was so enjoyed by all the competitors, again thank you both.

And again, a big thank you, to all who came, you too certainly helped to make The Dog Show such a success.

And remember. everyone took The Best In Show Dog, home.

LOWER HALSTOW MEMORIAL HALL

Unfortunately due to the few, who use the Village Hall's tea towels, that we had found used tea towels left, dirty and smelly in a washing up bowl, therefore, we are now asking **EVERYONE WHO USES THE HALL, TO PLEASE BRING YOUR OWN TEA TOWELS AND TAKE THEM HOME AFTERWARDS.** Kay Howard-Challis, Lower Halstow Memorial Hall Booking Clerk.

FRIENDS OF THE BRICKFIELDS

An update from Judy Telford:

Nightingales have been heard and occasionally seen in at least four places on the Brickie, Cuckoo has been seen and heard. Common Whitethroats, Lesser Whitethroats and Reed Buntings have been heard - our summer visitors are coming back. Flowers are starting to appear and a few butterflies and bees have been seen although Spring is slow starting this year.

For anyone interested in moths we intend running a moth trap on the evening of 29th June and a follow up walk on Friday 30th, if you would like to attend please contact me for details.

I have a long list of thanks; a huge one to Sam and Paul at the Oak Grove for letting us use their lovely venue for free. To Michael and Amanda van der Straaten for doing an amazing job organising the Spring Ball which was a great success and raised almost £1,500 for the Brickfield. To George Peters for giving an excellent talk at the Friend's AGM, raising almost £100 to split between the Friends and St Margarets. To Jackie Swift and friends who helped with the setting up and the catering for this event. Who would have thought an AGM would be so popular? LOL! Thanks to the kind lady who gave us a generous donation and to all those who donated shingle for path repairs.

Please do NOT dump mud / brick rubble onto the paths, if you have anything which you think may be suitable for repairs please consult the PC or the FotB Committee before dumping it. Some mud and rubble has appeared and it may have to be removed as it is unsuitable for path repair, particularly in that spot.

Next work party Sunday 11 June 2023 meeting at 10am at the Lapwing Drive entrance to the Brickfields. Will be mostly light pruning and litter picking with a possible walk round to see what's happening with the flora and fauna and discuss future plans.

If you are on Facebook we have a page; Friends of the Lower Halstow Brickfields on which we share news and history plus the natural world on the site. Otherwise we can be contacted by email; friendsofthebrickfields@gmail.com

KEEP FIT GROUP

A friendly group of ladies meet for walks on Monday/Wednesday evenings from the Memorial Hall. For more information call Liz on 842272.

LOWER HALSTOW WALKERS

All are welcome.

Starting at 10am every Monday, including Bank Holidays, from the end of Lapwing Drive, by the Brickfields, and usually there will be two walks on offer; a brisk 2 hour walk and a one and a half/two hour walk at a more moderate pace (the slower walk will have opportunities for an earlier detour if the distance is longer than some walkers can manage). Walkers who want to go faster can, but will be asked to wait for the rest of the group at suitable points, as currently happens, this way we can be inclusive of everyone. A short walk will be available for up to one hour if people request it in advance, please contact Margaret on 07964 067915 to arrange it.

The first Monday of every month when we walk to the golf club we will still have two walks, one taking the shortest route possible, arriving first and therefore being served first. Sturdy walking shoes/boots and a waterproof jacket are recommended.

Please phone Margaret on 843927 for more information

LOWER HALSTOW PRIMARY SCHOOL

The penultimate term of the year has already got off to a busy start!

Our Year 5 class headed off for a day at Leeds Castle, they enjoyed dressing up in period costume and participating in role-play as occupants of the castle. They also had a tour of the castle and grounds and completed various workshops to help them with their understanding of monarchs – several of the children said it was their best primary school trip so far.

Meanwhile Year 3 were very busy as they managed to squeeze two trips in. Firstly, they headed off to Horton Kirby to complete a fieldwork trip at the river. They focused on the physical features of the river, played Pooh Sticks, looked at how the physical and human features have changed over time and even got to look at the permeability of rocks under the microscope. The following week they headed off to the Living Land at the Detling Showground, here they learnt about different aspects of farming and country living, they came back from both trips with lots of stories to tell.

We were very excited to hear that we had won an award from some we did during the last academic year on being smart with money. Due to the number of workshops that took place in Lower Halstow School, we were awarded the HSBC Smart Money award and for our efforts, we received a beautiful glass trophy.

Now that the weather has turned warmer and a bit drier, we have managed to get outside for quite a few sporting events. Firstly, our Year 5 pupils took their Level 1 and 2 Bikeability course and all successfully passed; they were awarded with Bikeability certificates and badges certifying that they were able to ride safely in the school grounds and on the roads around the village.

A group of Year 3 and 4 girls attended the Big Football event for girls; this was open to all schools in Swale. The girls took part in a variety of ball skills and fitness activities to raise the profile of women's football.

As a whole school, we took part in this year's TCS marathon; every child in the school made a pledge to run the mile, which could be anytime in Term 5. We all managed to get out and complete the run in order to be part of the TCS World Record attempt of the most children

completing the mini marathon in one month. We have got our fingers crossed that we helped to break that record!

A key highlight of this term was the work the school completed on being Eco friendly. Every class made a pledge of something they were going to do in order to help look after our environment. Year 5 and 6 focused on turning lights and appliances off when they are not needed/being used. Year 1 and 4 completed litter picks around the school; Year 1 also created a recycling box for all their paper and card. Year 2 have started composting their fruit scraps from their morning break. As a whole school, at lunchtimes we are now separating our food waste from the packets etc. that can be recycled. Everyone is working so hard to look after our environment.

It was an important term for our Year 6 pupils as they sat their SATs tests. They all tried so hard and we were really proud at how hard they have worked in the lead up to these assessments. We have the agonising wait for the results now, which will not come out until July.

The SATs week ended in style as we held a party to celebrate the end of the SATs as well as the Coronation of King Charles III. Despite the wind and rain there was still a lovely atmosphere in the hall, which was decorated with bunting and flags. The children ate lots of party food, listened to music through the ages, sang God Save the King and played traditional party games.

We have fitted so much in so far this term but there is still lots to look forward to in the forthcoming weeks.

Michelle Crowe, Head of School
