## **FOOD FOR THOUGHT**

### **God opens a way when there seems no way**

Have you ever faced a situation that just seemed impossible? Where there was no obvious way forward? Is this in fact your current reality?

This has been our experience in recent weeks when helping Lesley, a missionary who was living in Uganda. She had broken her femur in January and had been living in pain for eight months as she could not afford an operation there. There were several hurdles overcome in bringing her back to the UK. But this week we hit another barrier. She was ready to be discharged at the end of her hospital rehabilitation but had nowhere to go, with no obvious options at all.

We prayed and then sent out an email to those on our contact list on Thursday seeking urgent help, not knowing what might be possible. Yet later that same day we received an amazing generous offer from someone to use their house, while they are out of the country, for as long as she needs. Someone else also generously offered sharing their house, simply because they could not see Lesley being homeless.

In the circumstances, we can only say that the Lord made a way when no way seemed possible. We couldn't help saying "praise the Lord!" In Matthew 19.26 we read, "there are some things people cannot do, but God can do anything". This is the promise we trusted in and held onto despite all. In this instance the way forward emerged quickly. But in writing these words I am painfully aware that this doesn't always happen in the way or timescale we would wish. Sometimes all we can do is press on, looking to the Lord and trusting.

Soon we will be marking Advent in preparation for the Christmas season. 2000 years ago, people were looking for freedom from oppressive rulers. Some still have that same hope today. In sending Jesus as Emmanuel (God with us) the Lord opened the way to new life free from sin (our innate tendency to go our own way rather than God's) through the power of sacrificial love shown on the cross at Easter. This

tells us that God has been and is always making a way where there seems no other possible way to bring life, peace, and hope.

What seems impossible in your life right now? Will you invite Jesus to be your way today?

Blessings

Julian

Rev Julian Staniforth, Rector of The Six benefice

## **LOWER HALSTOW WALKERS - MONDAYS, 10AM**

All are welcome.

Starting at 10am every Monday, including Bank Holidays, from the end of Lapwing Drive, by the Brickfields, and usually there will be two walks on offer; a brisk 2 hour walk and a one and a half/two hour walk at a more moderate pace (the slower walk will have opportunities for an earlier detour if the distance is longer than some walkers can manage). Walkers who want to go faster can, but will be asked to wait for the rest of the group at suitable points, as currently happens, this way we can be inclusive of everyone. A short walk will be available for up to one hour if people request it in advance, please contact Margaret on 07964 067915 to arrange it.

The first Monday of every month when we walk to the golf club we will still have two walks, one taking the shortest route possible, arriving first and therefore being served first. Sturdy walking shoes/boots and a waterproof jacket are recommended.

Please phone Margaret on 843927 for more information

From Kay Howard-Challis, one of the Flood Wardens:

Now that winter is definitely upon us, flooded areas due to blocked drains in particular, will cause problems. So please do not forget to notify me by email - [kayhelen2017@outlook.com](mailto:kayhelen2017@outlook.com) - if you know of any drains blocked or areas that flood during a heavy down pour of rain. When you send the locations, please be accurate with the exact drain in question, then I will be accurate with your drain in question, when I contact Kent County Council

Please send your own name and email address, so I can let you know any notifications and numbers.

And if there are any ongoing blocked areas, that I have already been notified of, but they have not been unblocked, please tell me those too.

## LOWER HALSTOW PRIMARY SCHOOL

As we reached the end of October we rounded off the end of Term 1 with some exciting activities. The PTA organised a very successful end of term disco; much fun was had dancing, eating hotdogs and other tasty treats, as well as purchasing a range of spooky Halloween trinkets. In school we relaunched the Times Table Rockstars program with a Rockstars day. Everyone came to school dressed as a Rockstar and Miss Holderness set a boys versus girls' challenge which concluded at the end of the first week of Term 2. The boys won hands down with the final scores being recorded as Boys – 525, Girls - 183. Better luck next time girls!

Term 2 got off to a busy start when The Dogs Trust paid us a visit and led a whole school assembly all about being safe around dogs, the Key Stage 2 children then all received a workshop about dog safety, dog breeds and the role of the Dogs Trust.

The annual Scarecrow Trail around the village was as successful as usual with many families travelling to the village to join in with the trail. Given the theme this year was Heroes and Heroines, the school decided to make their scarecrow in memory of Queen Elizabeth II. Mrs Saxton and her team of helpers did a fantastic job of creating her. We were really pleased that she managed to survive the wind and rain that arrived for the half term holiday. Teddy, the school dog, loved going for a walk and looking at the various scarecrows. Thank you to all the local residents who created a scarecrow or gave up their garden to host one, we really appreciate your support and have received comments from far and wide about how welcoming the village was to all the visitors.

Our annual activities for Remembrance took place with Year 6 all creating a remembrance poppy for each child in the school to take home. Each poppy represented someone who had given their life to fight for the country. Assemblies and class activities also took place as we made time to remember the service and sacrifice of all those that defended our freedoms and protected our way of life.
