

# What is happening in Beech class in Term 3?

## English

We shall be starting 'Hidden Figures' by Margot Lee Shetterly. This book connects to our Science topic of 'Earth and Space'.

Hidden Figures tells the untold story of the African American women who played a vital role in the American space programme. Their contributions made progress towards equality, particularly in the STEM industry.

During the term we will use the book to base our English writing on. This will include working on dialogue, information texts and a persuasive letter.

## Science

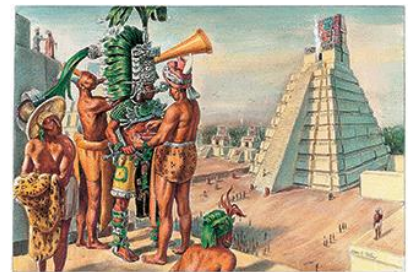

Our Science topic in Term 3 is 'Earth and Space'.

We will look at the Earth and other planets relative to the sun in the solar system.

## History

In Term 3 we will be finishing and consolidating our topic of Ancient Greeks. The second half of the term will explore the Maya Civilisation!

## Maths

We will be finishing our Fractions unit at the start of Term 3 and will then be diving back into multiplication and division.

There are TTRS competitions running over Christmas so please try to log in and play over the holiday!

## RE

In Term 3 Beech Class will have the topic of 'People of God - Ten Commandments'.

## Art

Yaakov Agam will be our focus artist this term.

## Music

The children will continue with their weekly ukulele lesson, developing their skills from Term 1 and Term 2.
