## NEWSLETTER

### MESSAGE

It was wonderful to be able to chat with you on Wednesday at the open afternoon. Mrs Thornby and I love being able to tell you how well your child is doing and praising their talents. We think your children are amazing – they work so hard and are making great progress. Enjoy the break, we have said that if they want to, the children can make a fact file about Stephen Hawking and it will be displayed on our Scientists wall.

### REMINDER

Our PE days are **changing** and will now be on Tuesdays and Thursdays. Our new topic is Dance which the children are very excited about!

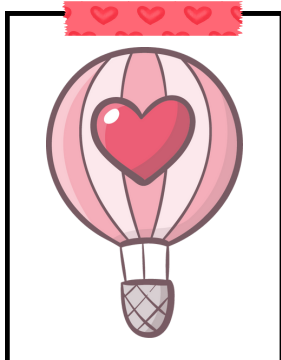

### UPDATE

The children voted to buy table mascots with the money they raised at Christmas. These cuddly characters now sit on their tables with them.

MRS THORNBY AND I LOVE SEEING YOUR PHOTOS AND THE CLASS REALLY ENJOY SEEING THEM TOO. PLEASE FEEL FREE TO USE DOJO TO SEND THEM TO US!

## TERM 4

English – Instructional Writing  
Maths – Length and height  
Geography – Weather and Climate  
Science – Living things and their habitats  
DT – Food preparation – salad  
RE – Why does Easter matter to Christians?  
ICT – Photography  
PSHE – Don't rub it in, rub it out

### Can you solve this riddle?

I'm a shape that's so sweet, a symbol of love, Sent with a message, like a gift from above. In shades of bright red, you'll often find me, On February 14th, I'm given with glee.  
What am I?
