

ROWAN CLASS

NEWSLETTER

We have had an amazing term! The children have wowed me with their incredible work ethic this term. They have produced some fantastic writing in English, worked hard exploring number within 50 in maths and have enjoyed becoming explorers as we delved into our history topic.

LOOKING FORWARD TO NEXT TERM:

ENGLISH

In English we will look at a range of global traditional tales to help us to engage in role-play, first person recounts, descriptive writing and narrative writing.

MATHS

In maths we will begin our fractions topic before moving on to place value within 100.

SCIENCE

In science we will be carrying out a range of WOW experiments to ignite our curiosity and excitement for science.

GEOGRAPHY

Our topic in geography in term 6 will be field work. During the topic we will carry out two fieldwork studies, one of our school field and the other of our local park. We will be using the following vocabulary: aerial view, aerial plan, cardinal points, collection methods, compass, data, direction, fieldwork, human features, investigation, journey, local, map, map key, observations, physical features, pictogram, position, record, route, symbols, tally chart

ART

In art this term we will be exploring a range of techniques including clay manipulation and watercolour.

HOW CAN YOU SUPPORT AT HOME:

1

READING

Continue to read with your child at least three times a week.

2

SPELLINGS

Continue to encourage your child to practise their spellings.

3

NUMBER BONDS

Support your child with subitising and number bonds to 10.
