Help with Cleaning

A plea to anyone who has an hour to spare (approximately weekly) to clean the toilet and kitchen at St Margaret's. Two friends can be together to do it? Or even cleaning the church. We have a rota, but we would always welcome more help. Michelle who we gratefully thank for the years of cleaning the toilet and kitchen, has finally had to retire from the job. We also thank the ladies who clean the brass, the ladies who help to keep the church clean. Not forgetting the very talented ladies who arrange the flowers. Our church needs kind help to keep it going. Please get in touch with Jackie Swift 07840 258665.

ST MARGARET'S BEREAVEMENT COFFEE TIME

There will not be Bereavement Coffee Times during December 2022.

FOOD FOR THOUGHT

So here we are, amazingly, already in December - and approaching Christmas - and the end of 2022. How is it that time goes by so quickly?

I wonder how your year has been - what highs and lows have occurred. I wonder how things in your own life have been impacted by the things going on around you – those events happening in our communities, our country, and our world.

I wonder how you are managing and how you are feeling.

It does seem as if we are all of us living in the midst of significant change and uncertainty. And aware that there are so many people and places in the world experiencing conflict. This knowledge can leave us feeling overwhelmed and anxious and our lives can feel dark and troubled.

And yet

There are good things happening. There are moments of blessing. I hope that you will be able to pause and reflect on these - and be able to look and listen at what is happening around you. I hope that you have known personal moments of joy. I hope that you can gaze in wonder at the winter landscapes. I hope that you will notice families and neighbours and communities working together to help each other - and volunteers who listen and come alongside to make a difference - and national and international organisations working to bring aid and to establish peace.

..... There is so much that we can give thanks for.

Sometimes these good things are not obvious – or perhaps we have just become so used to receiving bad news and expecting to be disappointed that we don't notice. But I think we have to look for the good things that are happening – and join in with what brings blessing – and give thanks.

And I would encourage you to look again at the Christmas story – to look again to Jesus – who is our light in the darkness and our hope and our peace.

With every blessing, particularly this Christmastide,
Lis Willmet, Lay Reader

PAULINE CROUCHER

From Bob and Marjorie Harbord:

Sorry to have to report the sad passing of Pauline Croucher late of Burntwick Drive. Pauline would have been 97 in a few weeks time and died peacefully in The Willows Retirement Home in Minster where she had been looked after wonderfully for nearly 7 years. Our thanks to the staff for their kindness and devotion to a lovely lady, who we will miss terribly.

LOWER HALSTOW SCARECROW TRAIL 2022

From Judy Haynes:

Thank you to everyone who took part in, or supported the scarecrow trail this year. Together we raised a massive £1,462.28 for the school! Thank you.

For those who would like to build a scarecrow next year and want to get thinking, the theme for 2023 will be 'Heroes - fact or fiction'. For further details, we can be contacted on lowerhalstowpta@gmail.com

MOBILE LIBRARY

The mobile library stops outside the Memorial Hall fortnightly. The next dates are Thursdays 1 December and 15 December 2022. There is no service on 29 December 2022.

MOBILITY ITEMS

A temporary home has been found for the village mobility items, a minimum of 24 hours notice is needed at present and the contact details are: Jackie Swift 842749 or Dawn Drury 842688

DRIVERS WANTED!

Are you an experienced driver with a clean driving licence? Are you available during school hours if given plenty of notice? Would you like to earn some extra money while helping to support the education of the children in the village?

The school need additional drivers to drive the school minibuses to trips out and are hoping to recruit local people to support them. If you have a people carrier or 4x4 then driving the new style of 'minibus lite' is very similar. Full training is provided along with a short practical assessment. This is a 30 minute accompanied drive to check that you are sufficiently confident – this is not a full driving test!

This cost will be covered by the school and then you would be paid from your third trip onwards. The licence can be used across KCC so you would be able to offer your services to other schools and organisations should you wish.

If you are interested in finding out more then please contact the school office by phone 01795 842344 or email office@lower-halstow.kent.sch.uk and ask to speak to Dawn Hogg.

FRIENDS OF THE BRICKFIELDS

From Judy Telford:

The Friends Committee have decided to try running Sunday morning work parties hoping that more people may be free to help us with our long list of jobs. From now on we will be holding regular work parties every second Sunday of the month. Our next planned morning will be on Sunday 11 December, mince pies supplied, and the following one will be on 8 January 2023, no cakes as we will all be on a diet after Christmas. Meeting at the Lapwing Drive entrance at 10am as usual, if you are late please come and find us.

If you would like to help with the running of the Brickfield but don't feel able to join in the work parties perhaps you'd like to get in touch with us and we can maybe find some jobs you could do in your own time.

Unfortunately, cases of Bird flu have been confirmed at Elmley, if you see any dead birds around please call the DEFRA helpline 03459 33 55 77 for advice.

Don't forget to keep up with our news on our Facebook page; Friends of the Lower Halstow Brickfields.

DIY KEEP FIT GROUP

A friendly group of ladies meet for varied exercise on Wednesday evenings in the School Hall at 7pm. For more information call Liz on 842272.

FUTURE DATE FOR YOUR DIARIES:

LOWER HALSTOW POETRY FESTIVAL

Saturday, 10 June 2023

RAFT RACE

Saturday, 1 July 2023

FOOD BANK DONATIONS

Swale Food Bank is supported by the Trussell Trust which provides food and toiletries in Swale and surrounding areas. This is run in partnership with local churches including St. Margaret's of Lower Halstow part of "The Six". The aim is to provide 3 days emergency food and support to local people referred to the Food Bank in a crisis. The collection point in Lower Halstow is 34 Crouch Hill Court. Please place any food/toiletry items in grey box by garage, or if money in an envelope marked "Food Bank" into letter box

LOWER HALSTOW WALKERS

We have changed our name and are no longer part of the Health Walks programme. We are now Lower Halstow Walkers, and all are welcome. Starting at 10am every Monday, including Bank Holidays, from the end of Lapwing Drive, by the Brick Fields, and there will be two walks on offer; a brisk 2 hour walk and a one and a half/two hour walk at a more moderate pace (the slower walk will have opportunities for an earlier detour if the distance is longer than some walkers can manage).

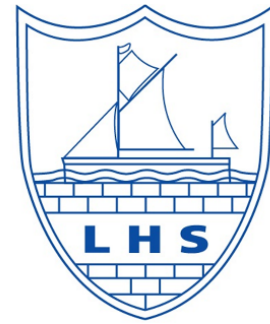

Walkers who want to go faster can, but will be asked to wait for the rest of the group at suitable points, as currently happens, this way we can be inclusive of everyone.

The first Monday of every month when we walk to the golf club we will still have two walks, one taking the shortest route possible, arriving first and therefore being served first. Sturdy walking shoes/boots and a waterproof jacket are recommended.

Please phone Margaret on 843927 for more information.

LOWER HALSTOW PRIMARY SCHOOL

The weather remained mild as we saw out the last part of October which meant that the children could still enjoy eating outside at the picnic tables and playing on the field before it got muddy after the torrential November rain. Fortunately, we have had a small area of eco draining artificial grass installed and a new soakaway created so that the children can use some of the field all year round without having to wear wellies! This will definitely be put to good use.

Year 6 managed to pick one of the few wet September days for their visit to the Creed Adventure Centre in Teynham. This team building day really put their resilience and perseverance to the test! They took part in a blind trail, archery, high ropes, low ropes, the climbing wall and survival skills. A great day was had by all and the rain eventually dried up by the afternoon, with everyone achieving something that pushed them out of their comfort zone.

As part of our Culture Month the whole school received a visit from an African Drumming group – the children were mesmerised by their performance and then had the opportunity to try out the drums in a special workshop for each class.

The Dogs Trust paid us a visit on the last day of term and led a whole school assembly all about being safe around dogs, the Key Stage 2 children then all received a workshop about dog safety, dog breeds and what the Dogs Trust does.

The PTA were very busy this term organising their annual Scarecrow Trail around the village, this was a real success, raising over £1000 (the final totals are still being counted). The school entry was Humpty Dumpty which was put together by Mrs Saxton and her team of helpers. Thank you to all the local residents who created a scarecrow or gave up their garden to host one, we really appreciate your support and have received comments from far and wide about how welcoming the village was to all the visitors.

Term 2 has already got off to a busy start: Year 3 had a special dinosaur workshop where they learnt about the different dinosaurs as well as identifying and classifying fossils, sketching and creating rubbings of fossils, not forgetting role-playing fossil formation! Meanwhile, Pat Wells and Kathryn Stuart, artists in residence with the Raybel Trust worked with the Year 5 and 6 pupils to create boat and plant based sculptures using recycled paper and cardboard; their creations were amazing.

November Class feature – Year 5 Beech Class

Beech class have had a fun start to the term as they took part in creative workshops and challenges. For our paper sculpture workshop, we all used recyclable goods that we brought in from home to create our own sculptures that were inspired from a local artist who came in to visit us. We were encouraged to create whatever sculpture we wanted and we made a mixture of geometrical shapes, robots, memorials, boats and flowers.

We recently took part in a Lego challenge alongside Year 5 children from Newington C of E School. We had so much fun! We used many scientific, technological and mathematical skills to design, budget for and create our own buildings. We are proud to share that a group from Lower Halstow won a bag of chocolates each for showing great dedication to their work, taking time to plan their work carefully and showing great teamwork. We can't wait for our next workshop this term where we will be taking part in a fashion design session.

Outside of school hours, many of us travelled around and explored the village to see all the different and interesting scarecrow creations. We all shared what we had seen with each other when back at school and

decided that all of them were our favourites. We are now all very excited and on the countdown until Father Christmas comes to visit us.

LOWER HALSTOW PARISH COUNCIL UPDATES

Christmas Lights

The Christmas tree lights, on the green by the bus stop, will be turned on at 6.30pm on Saturday 3 December and there will be free mince pies.

Sea wall

Earlier this month the Parish Council received an email from the Environment Agency to say that work to repair the sea wall will not commence until next year. This was said to be due to outstanding archaeological and environmental assessments. Due to this

disappointing news and concerns that our sea wall could breach this winter, Cllr Portman has contacted our local Member of Parliament, Gordon Henderson. Mr Henderson's office has since confirmed that he has contacted the Environment Agency on behalf of the Parish Council and an update is awaited.

Roman Coin Find

A copper-alloy Roman Republican semuncia of anonymous issuer, dating to the period c217-215 BC (Reece Period 1) was found on Parish Council land known to be formed from material cleared from London in the Post-Medieval period after the Great Fire of 1666. The area 200m to the south-east of the find spot however is the location of a suspected Roman Villa. It is therefore unclear whether this coin is a genuine ancient loss relating to the nearby Roman site redeposited alongside other material from London or a more recent antiquarian loss.

Republican period bronze coinage is extremely rare in Britain, with fewer than ten examples securely identified on the Portable Antiquities Scheme database. More information is available here: <https://finds.org.uk/database/artefacts/record/id/969879>

The coin is currently being held by the Finds Liaison Officer in Maidstone and we hope that she will be able to bring it along to a Parish Council meeting for people to see. It will eventually be displayed by the British Museum in London

Dog Waste Stations - Polite Notice

The Parish Council have installed several dog waste stations around our village, each one equipped with a supply of dog bags for emergencies and to prevent dog waste being left lying around which is unpleasant and unhygienic.

Most dog owners are responsible and clear up after their dog, taking a bag or two if needed from the dog stations, which is acceptable and what they were designed for. Unfortunately, in recent weeks it has been noted that on several occasions someone has been helping themselves to at least 40 bags at a time. This has occurred at the dog stations at Heron Close, more recently at Gibbs field and has resulted in some of the dog stations lying empty for several days despite regularly being refilled.

The person/s responsible for taking all the dog waste bags from their stations in one go are incredibly selfish and thoughtless. As a result the

Parish Council will continue to monitor this and keep all the dog stations under constant review.

Merry Christmas and a Happy New Year to you all from Lower Halstow Parish Council

Don't forget to keep an eye on the Parish Council website (<https://www.hugofox.com/community/lower-halstow-parish-council-17855/home>) where you will find notices of local road closures, Parish Council policies, agendas and Minutes amongst other things. The Parish Council will post some items on the Village Facebook group, but this is not their main method to inform residents and it is not monitored by the council. Please contact the Clerk via email: clerk.lhpc@gmail.com or on 01760 336459 if you have any queries.

CHRISTMAS TREE RECYCLING

From Steve Gates:

Latest drop off for real trees is Saturday 7 January 2023 at the hard-standing next to Memorial Hall.

Shaun (Treecraft) has kindly volunteered to chip and use on the Brickfields.

RECYCLING

In her collection boxes outside 1 Curlew Avenue, Lynne Morris is recycling medication blister packs (please make sure there are no personal details on the packs), Ferrero Roche packaging, cheese packets, toothpaste tubes, toothbrushes, floss containers, used stamps, egg cartons, beauty soft plastics, marigold gloves and used pens. Also foil (deflated) balloons and banners

Everything is collected and recycled for various charities and kept out of landfill.

LIVE WEATHER STATION AND WEBCAM

Lower Halstow Yacht Club has a live weather station and webcam looking out over the creek updating every 15 minutes. It is on the yacht club website and is open to everyone weather.lhyc.org.uk
