

Hawthorn class

Looking forward to Term 3.

English

Our main book this term, *The Egyptian Cinderella*, links to our History topic, Ancient Egypt. We will be comparing different versions of a traditional story and how it has been changed to fit a different cultural setting.

Maths

We are continuing to build on our understanding of multiplication and division and will move on to measuring with length and perimeter.

Forest School

We have a few more sessions of Forest School on Mondays in Term 3. Please send children to school in their uniform with suitable clothes to change in to, long sleeves, long trousers and suitable shoes.

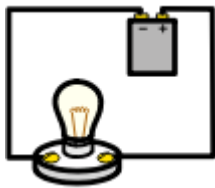

Science

We are going to be learning about electricity and electrical circuits in our Science. We will be investigating how circuits work and what materials can carry electricity.

DT

We will be using our work on electricity in Science to create our own electrical systems, with circuits and switches.

PE

This term's PE lessons will be on Gymnastics and Dance.

PE days are Tuesdays and Wednesdays.

RE

We will be exploring Gospel with the question

'What kind of world did Jesus want?'

History

I know a lot of people are excited to start our learning about the Ancient Egyptians! Our learning will focus on the question 'What were the successes of Ancient Egypt?'

You can support your child by:

- Logging in to the following interactive resources to support your child's learning:
 - 
 - 
 - 
- Practising spellings
- Reading with your child and discussing their books at least 3 times a week.
- Sharing in their learning.
