

What is happening in Beech class in Term 4?

Welcome to the Term 4.

We have a busy term planned as we head into the second half of the school year.

English

This term we will be enjoying *The Explorer* by Katherine Rundell.

The adventure story tells us of Fred, Con, Lila and little Max, whose plane is on the way to Manaus when it falls out of the sky. Now, lost in the Amazon rainforest, they must figure out the basics of survival: water, shelter, food. Do they wait for rescue, or find a way to rescue themselves?

Science

Our Science topic in Term 4 is 'Living Things and their Habitats. During this unit of work, the children will learn about the lifecycles of a number of different creatures. We will start the unit with our class trip to Wildwood where we will enjoy a ranger led workshop on life cycles as well as a tour of the park, where we will be shown a range of animals and their habitats.

History

After learning about Ancient Greece chronology in Term 2, the children will add to their knowledge by learning about the daily life of the people from Ancient Greece. We have already learned about the Olympics of the Ancient Greeks, this term we will add to our knowledge by learning about schooling, architecture, food and family life.

R.E.

In Term 4 Beech class will be learning about Humanism. Humanists believe that people have one life to live - there is no afterlife. As a result they focus on being happy and making the most of their life. They also believe they have a duty to support others.

Maths

We will spend this term learning about percentages, perimeter, area and statistics. During our early morning work, we have got into a good routine where every child has five games on TTRS and we will continue to work on our arithmetic skills.

P. E.

Our P.E. days will be Tuesday and Friday so please make sure that your child is wearing suitable clothing on those days. This term our two sports are dance and gymnastics - which continues from the previous term.

Art

In Art we will spend the term trying a range of different printing techniques.

As always I will post a range of photos, that I take during the week, on Class Dojo as well as keeping our list of events up to date. If you have misplaced your login details please get in touch and we will get you connected.

If you need to get in touch with me you are welcome to message me on Class Dojo, email the school office@lower-halstow.kent.sch.uk or catch me after school.
