MATHS

We have continued our multiplication and division journey this term and learnt about:

The 11- and 12-times table

Factor pairs

Multiplying 3 numbers together

Efficient multiplication methods

Multiplying 2 digits by 1 digit

Multiplying 3 digits by 1 digit

Dividing 2 digits by 1 digit

Dividing 3 digits by 1 digit

Correspondence problems

Efficient methods of multiplying

English

We have been reading 'The Anglo-Saxon Boy' in English. We are enthralled with the storyline and have produced some great pieces of writing such as diary entries, letters, play-scripts and non-chronological reports.

TOPIC

The Anglo-Saxons were so interesting to learn about! We now know how England was divided up into the kingdoms, what life was like for a typical Anglo-Saxon, who settled in which areas and which saints influenced the converting of the Anglo-Saxons into Christianity.

Science

We have loved learning about sound in Science this term. We have learnt how sound travels, what happens to sound over distance and what pitch and amplitude mean.

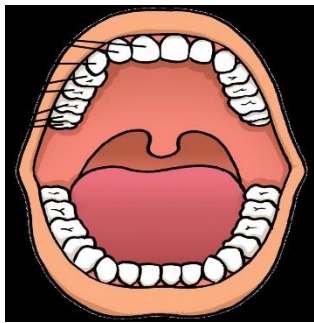

Hawthorn Class

Is looking forward to....

Topic

Topic for Term 4 includes learning about the Vikings.

Science

In Science, we will be learning about animals, including humans.

Homework

Please ensure your child is reading 3 times per week, to an adult.

You can login to the following interactive websites to enhance your child's learning:

Prodigy

TT Rockstars

Numbots

EdShed

RE

We will be looking at our big question, 'What kind of world would Jesus want?'

Hawthorn Class

Memorable moments...

Star of the week:
(Chosen by Mrs van
Heerden)

Week 1: Cleo
Week 2: Alex
Week 3: Kian
Week 4: Koen
Week 5: Arundhati

Star of the week:
(Chosen by Hawthorn
Class)

Week 1: Christian
Week 2: Archie
Week 3: Josephine
Week 4: Evie
Week 5: Lara
