

# Maple Newsletter Looking to Term 6!

How a plant takes in water.

Topics for Term 6 include learning about **plants** in science as well as continuing our learning on **nutrition, bones and muscles**. In **geography** we will be learning about the importance of **bee conservation** and completing a local survey.

## Highlights to look forward to in Term 6!

Sports' Day (18.6.25)

Outdoor Cooking (wk beg 7.7.25)

Indian Drumming Workshop (8.7.25)

Tyland Barn Trip (9.7.25)

### HOMEWORK

Don't forget to logon to the following interactive resources to support your child's maths:

By the end of the year children are expected to:

- be fluent in the 2, 3, 4, 5, 8 and 10 times tables:
- be able to rapidly recall mental addition and subtraction facts including:
  - Adding and subtracting all numbers up to 20 e.g. 20-8, 14+3, 9+9,
  - Adding and subtraction up to 100 e.g. 100-86 39+8

The benefits of reading regularly are well documented and include developing **concentration, vocabulary, imagination, empathy and language skills**. Please continue to encourage your child to read and discuss their books at least 3 times a week. Don't forget to share books at bedtime too! Thank you.
