

Oak Class Celebration Newsletter

Term 3 2023

A little recap of some of the things that have been happening in Oak class this term. As always if you want to see a larger range of photos check out our Class Dojo page. If you have misplaced your log-in details just get in touch and I will send a new set to you. Your children can also access Dojo with their own log-ins, again get in touch if you would like a copy of their details.

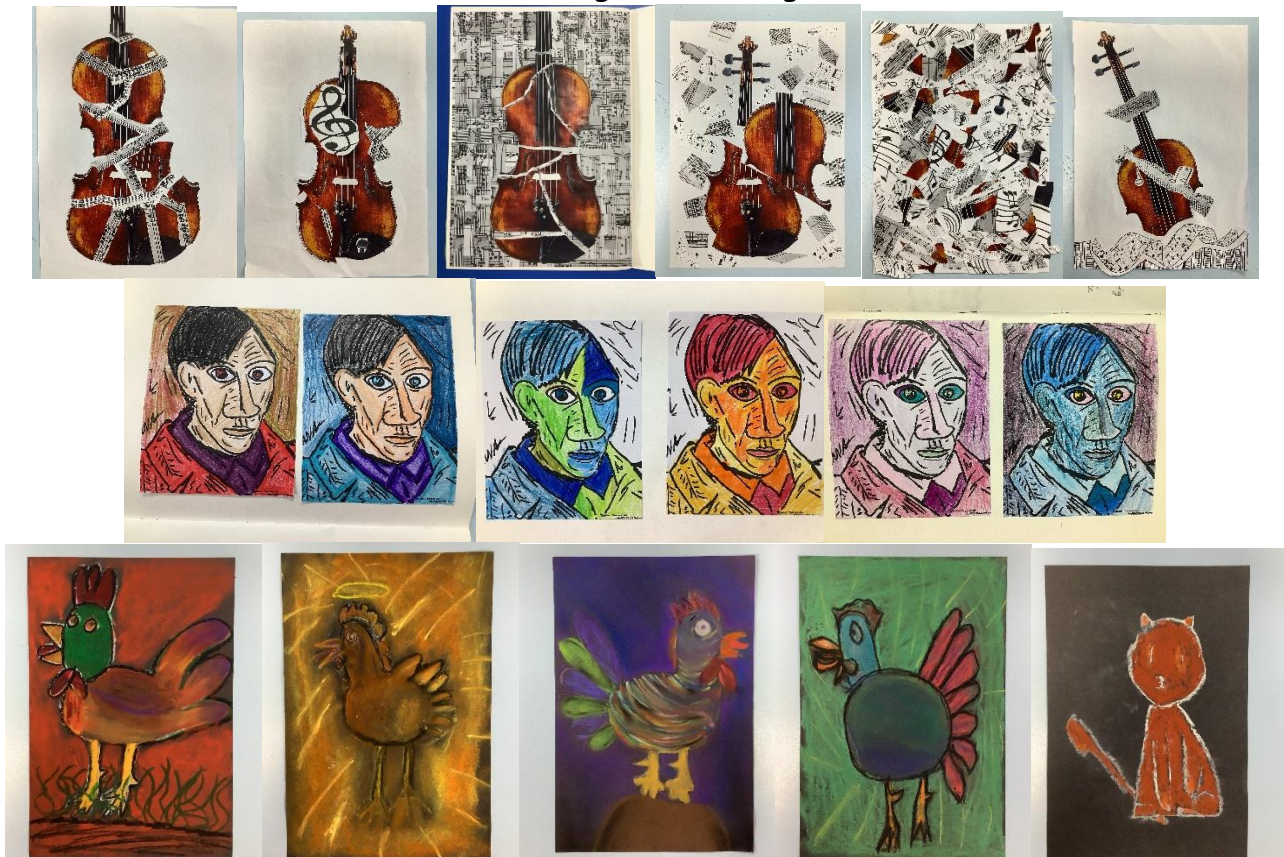

Benin

The children have spent the term learning about the ancient civilisation of Benin. They have learned about the Obas, farming, trade and oral history. They have also looked at a range of artefacts and considered if they are a more reliable resource than the oral history.

Art

This term we have been looking at the work of Pablo Picasso. The children have created some wonderful pieces using a range of media. They have used pastels, a limited palette, tonal ranges and collage.

P.E.

There has been gymnastics, netball, Ultimate Frisbee and a very fun game of cricket this term, as well as an almost daily, Daily Mile.

Music

The children's ukulele lessons have been going very well and hopefully you have enjoyed listening to all the pieces uploaded onto Class Dojo.

Leaver's Hoodies

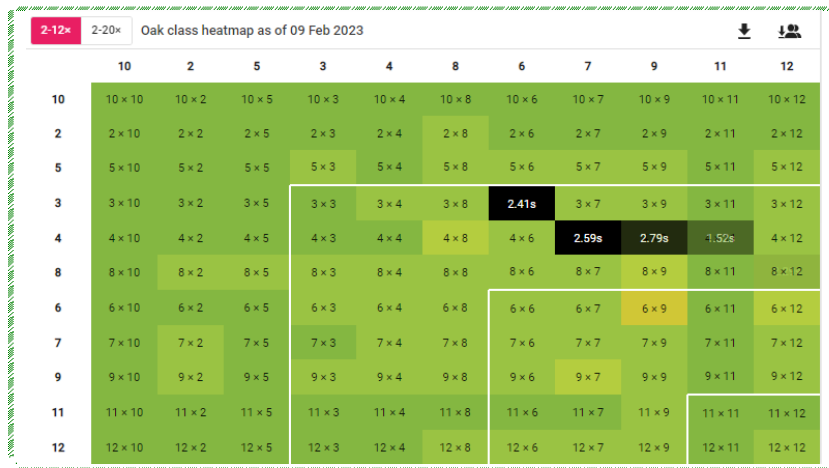

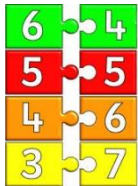

Don't forget to have your leaver's hoodie details in by the 22nd February, so that the PTA can put the order in.

Times table rock stars

Oak class have been practising very hard and play every morning.

The children can also access Numbots, using the same login details, which is an excellent site for developing fluency. Our class heat map is looking really good and hopefully we will be able to tackle 6x9 next term

Number Bonds Challenge

We have continued our weekly number bonds challenge where the children have to correctly answer 60 number bonds questions in three minutes. Each child follows their own challenge, starting with their number bonds to ten. Currently Asher is tackling his number bonds to 65.

Golden Leaf

Each week we have to choose a child that has particularly shone that week. As you can imagine some weeks it is an impossible choice. This term the children that have received a golden leaf from either myself or Miss Crowe are: William, Olivia, Jennifer, Sophie, Violet-Rae, Alice, Esme, Barnaby, Hannah, Honey and Ellie.

Sneak peek for Term 4

WWII

Our history topic for this term will be World War Two.

Science

Towards the later part of the term we will start our electricity unit which will carry through into Term 5. We will start by looking at a range of different scientists.

Our text for next term will be The Silver Sword by Ian Serrailier

I hope that this newsletter has shown you a little of what has been happening in our class this term but as I said at the beginning if you need any photographic reminders just log in to Dojo. If you ever have any questions or enquires get in touch.

All the teaching staff in Oak class hope that everyone has a wonderful half term spent with family and friends. Take care and keep safe

We look forward to seeing all the children in Term 4.
