

Maple Class

Celebration Newsletter

Maple Class have settled so quickly into Year 3. It is a joy to see their big smiles every morning!

Maple Class have loved learning about the Stone Age including creating clay Stone Age cave paintings and writing their own narrative linked to the Stone Age. I have been overwhelmed by their enthusiasm for rocks and fossils which I'm pleased to say we will be able to learn more about next term.

Well done to Maple Class for winning Groot 3 times this term!
Superb attendance!

We have had the most wonderful time learning about our local estuary this term. From crabbing to bird spotting, plant identification to environmental impacts and our amazing natural art week, we have thoroughly enjoyed it. The hands-on learning has been a very special experience for the children and we cannot thank Belinda from Wild Estuary and our class helpers Rosie and Alison enough!

We hope that you have enjoyed finding out about lots of our learning via the posts and pictures on Class Dojo. Here are a few of our highlights:

- Wild Estuary
- Self portraits in the style of Frida Kahlo
- Poetry session with Zohab Zee Kahn
- Creating clay cave paintings
- Stone Age workshop
- Dance taster session
- Learning to be hunter gatherers
- Sorting and classifying rocks
- Enjoying Just Dance

Looking to Term 2!

Topics for Term 2 include continuing our learning about **Pre-history with the Bronze Age and Iron Age.**

In science we will be learning about **Rocks and Fossils.**

Highlights to look forward to in Term 2!

Making Bronze Age Houses **Fossil Workshop** **Paper Sculpture Workshop**

Interactive learning:

Please login to the following interactive resources to support your child's learning:

NUMBOTS

Spelling Shed

You can support your child by:

- Sharing in their learning
- Reciting times tables
- Practising spellings
- Practising rapid recall of addition and subtraction facts within 20

Please read with your child and discuss their books at least 3 times a week.
