

It would be wonderful if you could encourage your child to log in to the following interactive resources to support their learning: Times Tables Rockstars, and/or Timestables.co.uk.

Reading with your child and discussing their books at least 3 times a week really does support their comprehension skills, build on their imagination and support their writing.

Also, practising of all the spellings they have had over the last couple of terms would be great!

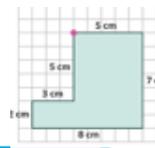

This term's additional events include:

- Forest School every Tuesday
- Curling taster day
- Big Bird Watch
- Maths Day
- Break the rules day
- Disco
- Internet Safety day
- Pancake races
- Open classrooms

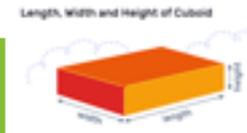

History

Our topic will be learning all about the Ancient Egyptians.

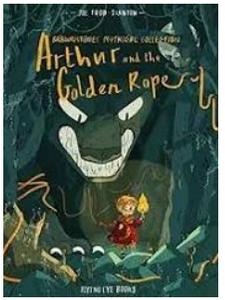

Maths

We will be continuing to learn about multiplication and division as well as measurement including length and perimeter.

English

We will be looking at the story called 'Arthur and the Golden Rope' and writing a narrative and information text.

Hawthorn Class

Newsletter Term 3

DT

For DT we will be learning about electrical systems and simple circuits. We will then design our own circuits with switches.

R.E and worldviews

In RE and worldviews we will be discussing just how important are our beliefs?

Computing

Next term we will be introduced to creating media and photo editing.

PSHE

The area we will be looking at is 'Don't rub it in, rub it out!'

Science

Next term we will be continuing our learning about electricity and making our own circuits.
