

What is happening in Oak class in Term 5?

This term is our final term before the SATs. We will be following a gentle revision programme, reminding the children of what they have learned during this and the previous three years of their primary education.

All we can ask is that each child does their best – something we remind the children of, all the time.

English

We have now begun our WWII topic and have started to read *The Silver Sword* by Ian Serraillier so far, the children are enjoying the story and have written several pieces using the text as inspiration.

This story of a courageous group of Polish children whose lives are torn apart by war, is a true modern classic. Ian Serraillier's moving account of the hardships the children endure, and the self-knowledge and maturity they gain through their ordeal will speak to young readers as powerfully now as it did on its publication in 1956.

Science

We will carry on with our Light unit during Term 5.

Maths

The two strands that we will be looking at this term are shape and position and direction.

We will be following the White Rose scheme as well as completing a daily TTRS session and weekly number bonds challenge.

As we head towards the SATs we will be revising many of the strands from both this year and previous years' Maths teaching.

P.E.

Our P.E. days will be Monday and Friday so please make sure that your child is wearing suitable clothing on those days. This term the children will be building on their bat and ball skills, especially rounders as well as taking part in a series of OAA challenges.

Art

In Art we will be trying out a range of painting techniques including completing a mixed media piece.

Mrs Giles and myself would like to wish everyone a wonderful Easter break. Hopefully the weather will be kind to us and you get a chance to spend time with those that matter the most to you.
