

It would be wonderful if you could encourage your child to log in to the following interactive resources to support their learning: Times Tables Rockstars, and/or Timestables.co.uk.

Reading with your child and discussing their books at least 3 times a week really does support their comprehension skills, build on their imagination and support their writing. Please log each time you read so your child can earn rewards 😊

Also, any practising of all the spellings they have come home with would be really helpful.

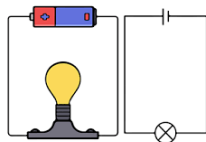

This term's additional events include:

- Year 4 multiplication check 1st – 12th June
- Sports Day - 10th June pm
- Viking & Anglo-Saxon day with NCEP -16th June
- Transition mornings – 7th July and 14th July
- Summer Fayre – 10th July
- Summer Disco – 17th July
- Last day of term – 21st July

Art and DT

For Art we will continue exploring the methods of Andy Goldsworthy and using simple programming to create electrical systems.

R.E and worldviews

In RE and worldviews we will be discussing 'does the language of scripture matter'?

History and Geography

Our topic will be continuing to learn all about the Anglo-Saxons and Vikings as well as complete our fieldwork.

Maths

We will be continuing to learn about decimals as well as money, time and shape.

English

We will be looking at the story called 'Leon and the Place Between' and writing a Biography. Also creating our own rhyming poetry.

Hawthorn Class

Newsletter Term 6

PSHE

The area we will be focusing on this term is 'Fake is a mistake!'

Science

Next term we will be continuing our learning all about animals including humans, as well as living things and their habitats.

Computing

Next term we will be continuing repetition in shapes and programming and learning how to use them in games.
