REMEMBRANCE

From Jackie Swift:

****On Sunday 8 November 2026** at 10.30 am St. Margaret's will be holding their annual Remembrance Service. It is very much a family service, with the Beavers and Cubs taking part. If you have any person you would like mentioned, please let me know. We always end with refreshment and a time to chat. We must never forget all our service people, of the past, certainly now with all the conflicts in the world today. Thank you.

LOWER HALSTOW PRIMARY SCHOOL

It has been wonderful to welcome everyone back to Lower Halstow Primary for what promises to be a very special year. The beautiful weather has certainly helped us to make the most of our outdoor spaces, with plenty of opportunities for outdoor learning, sporting activities and time together as a school community. It has been lovely to see the children return looking refreshed, excited and ready for another year of learning, friendship and adventures. This year is particularly significant as we celebrate the school's 150th birthday, giving us lots to look forward to as we celebrate our history, our community and all the wonderful things that make Lower Halstow Primary such a special place.

We have given an especially warm welcome to our new Reception children and their families. Our youngest pupils have made a fantastic start to school life and it has been a delight to see their confidence grow each day. They are quickly becoming familiar with our routines, making new friends and embracing all that school has to offer. We are incredibly proud of how well they have settled in and look forward to watching them flourish throughout their first year at Lower Halstow. With such an exciting year ahead, they are joining us at a particularly memorable time in the school's history!

We are delighted to be continuing our partnership with Gillingham Football Club this year. As part of this exciting partnership, our children will benefit from weekly coaching sessions delivered by GFC football coaches, giving them the opportunity to develop their skills, confidence and teamwork. Our partnership also includes a very special signed Gillingham FC shirt, a linked GFC player who will visit us at school and a fantastic opportunity for the children to visit the GFC football stadium. The children are already incredibly excited about the sessions, which have now begun with our Year 5 and 6 pupils. We are looking forward to

seeing all of our children get involved, develop their football skills and enjoy everything this fantastic partnership has to offer!

Our Site Manager, Dave, has certainly been kept busy over the Summer holidays, working hard to give our school a fresh new look for the year ahead. The corridors and Hawthorn classroom have been given a crisp coat of white paint, making the whole school feel wonderfully fresh and bright. We have also had new laminate-effect lino laid throughout the corridors and in Rowan Class, which has made a huge difference to the appearance of these areas. Outside, we now have a new astro-turf area, giving the children a larger space to play and enjoy during the wetter Winter months. One of the most exciting additions, however, has to be our newly repurposed old boat, which has been transformed into a fantastic role-play area for the children to enjoy. It has already proved very popular — and even received the official seal of approval from Teddy, our school dog, during the holidays!

As mentioned in our opening paragraph, this is a very special year for Lower Halstow Primary as we celebrate 150 years of our school. The celebrations actually began at the end of last academic year, when the children enjoyed a wonderful street party and picnic on the school grounds, followed by the burial of a special time capsule. Each class selected items to represent their experiences and interests, giving future generations a little glimpse into life at Lower Halstow Primary in 2026.

This term, our celebrations will continue with a very special whole-school art project. Every child will create their own clay tile featuring a leaf design, which will then be brought together to create a beautiful whole-school piece of artwork to commemorate our 150th birthday.

We are also looking forward to welcoming past pupils, former staff and members of our local community back to school for a special evening celebration on Wednesday 14 October 2026 from 6pm There will be refreshments, opportunities to share memories and stories, and tours of the school and grounds, giving us all a chance to reflect on the wonderful history of our school and the many people who have been part of it over the years. If you would like to join us for this special evening, please email office@lower-halstow.kent.sch.uk to let us know. We would love to see you there and share this very special milestone with our wider school community!

PASTORAL LETTER

We had a very hot summer. Even in this country we had plenty of sun and so little rain. Brown grass is not something we get very often here but this summer we did. Worse things happened in Wales of course when fire destroyed so much of the land and people's lives. But now we can rest in autumn cooling breezes, showers of rain and traditional Harvest festivals around churches and local communities. Perhaps you may be familiar with some of Jesus' stories relating to harvest. He always put a real depth in them and so allow me to bring this one to our attention. Luke 12 (NIV)

And he told them this parable: “The ground of a certain rich man yielded an abundant harvest. He thought to himself, ‘What shall I do? I have no place to store my crops.’

“Then he said, ‘This is what I’ll do. I will tear down my barns and build bigger ones, and there I will store my surplus grain. And I’ll say to myself, “You have plenty of grain laid up for many years. Take life easy; eat, drink and be merry.”’

“But God said to him, ‘You fool! This very night your life will be demanded from you. Then who will get what you have prepared for yourself?’

“This is how it will be with whoever stores up things for themselves but is not rich toward God.”

What do you think about this story? The ever present fear “**will I have enough?**” is overcome by securing a great harvest and living in comfort for the rest of life. Who could resist that? What is wrong with it? This story carries a sad tragedy in itself. Fear that I will not make it, and the delusion that having more than enough means I can rest easy.

Always remember that it is greater to give than to receive. (Acts 20:35) A greater comfort and even joy flows from generous giving, sharing. Although we are by nature quite selfish and it isn't always easy to share our things especially with strangers. Our hard earned, well deserved possessions belong to us and everyone should strive to get their own, is that not how we feel? Yet we all appreciate a freebie and will boast about it depending on what kind of freebie came our way.

Of course we should be savvy and prepare for eventual hard times. That is why we have freezers and pickle jars and bank accounts with long term saving plans. At the end of the day though when we have decided just what we need with perhaps a little extra we should start to look around us and see who needs help. Communities will not be built and maintained if everyone keeps building bigger barns to store their own, personal, ever increasing possessions in. We learn to live in fear of thieves and fail to trust our neighbours. Equally we should not encourage people to be lazy and survive only on the generosity of others. So where is the balance in all this? How do we grow in generosity while building friendly, working communities and still looking after our own families?

Jesus said that we need to get our priorities right, and he meant our priorities towards God, our neighbours and ourselves. At Harvest Festival time we thank God for all the earth has produced, we store our apples and potatoes for the winter months but we also remember the

Foodbanks and drop a few cans of beans into the school office collection point.

As we start to think of darker days ahead, hot chocolate and movie nights, let us not fail to give thanks for the food which grew despite the hot weather and the God who masterminds everything and asks for some recognition in it all.

LOWER HALSTOW ANNUAL NOVELTY DOG SHOW 2026

From Kay Howard- Challis:

A huge thank you to Lower Halstow Villagers, and everyone who participated in the Dog Show, what a lovely afternoon, we were blessed with the sun, lots of happy dogs and owners and their families with so much enthusiasm.

The dog who was the overall winner was Zelda and the reserve was Archie, well done to you both, but I must add that every dog that entered, came 1st, in their owner's eyes.

Understandably the judging by Kerry Gardner was very difficult this year, with so many dogs looking their best, and we must not forget her Steward Jemma,, who assisted the judge admirably, thank you both so much.

The Community Cafe provided delicious food and beverages, throughout the day, thank you all very much indeed, I must mention the Asbury brothers, who helped set up the hall, and most importantly, helped put away the table and chairs afterwards, very much appreciated.

We made for the Memorial Hall, after expenses, a total of £85.85p, so a great day had by everyone.
See you all next year.
