What is happening in Oak class in Term 2?

English

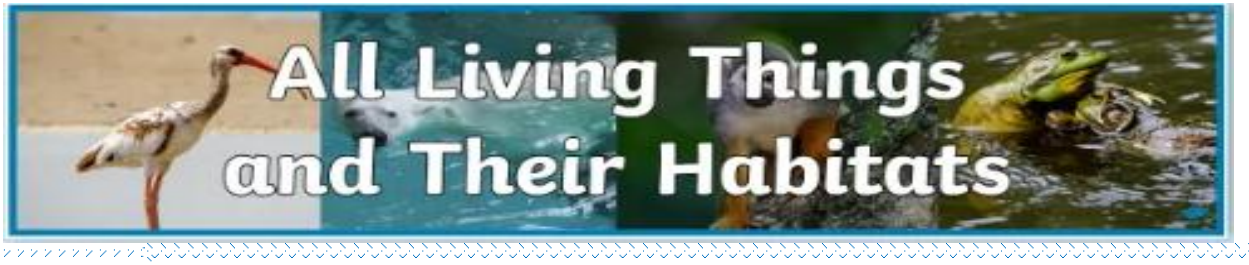

This term's text is Kensuke's Kingdom by Michael Morpurgo.

Michael is hungry, lonely and scared when he is washed up on a seemingly deserted island. He soon discovers another inhabitant - Kensuke, a former Japanese soldier - who, although initially unfriendly, provides Michael with food and water. Gradually, a strong bond develops between the two castaways. But how will the story end?

This is a beautifully written tale of an exceptional friendship which survives beyond the boundaries of culture and language.

Science

Maths

We will be starting the term looking at fractions which always features very heavily in the SATs papers before moving onto converting units as part of the measurement unit. We will be following the White Rose scheme as well as completing a weekly arithmetic and times table challenge.

P.E.

This term the children will be continuing their football coaching sessions with Mr Young. As the weather gets poorer, please make sure your child has enough active wear to keep them comfortable throughout the day – extra layers, additional leggings/jogging bottoms, socks and shoes. Football kits are not to be worn but football boots can be.

Geography

In Geography we will continue with our Economic Activity of the UK unit. We have learned about the primary, secondary and tertiary sectors and will be moving onto the sustainability of agriculture and power in the UK, this term.

Religion and Worldviews

We shall be considering the question, why doesn't Christianity always look the same?

Art

Sketching will be our area of study this term with the children considering the different properties of the grades of pencil as well as artists that produce some wonderful sketches.

This term's additional events include:

Anti Bullying Week
Children in Need
Royal Opera Live Lesson
Santa Run
Christmas Jumper Day
Pizza Express trip
